

King Soopers offers an easy and convenient way to raise money (5% return) for RSCA student enrichment trip fundraising. Here is how it works:

- Order your initial King Soopers gift card using the order form below. Please include a separate check made out to RSCA (Rock Solid Christian Academy). Orders will be placed once each month during the school year.
- The gift cards will be ready for pick up in the office a week after the order is placed. You or your student must come to the office to sign for it.
- At any time **YOU may reload your own card at your convenience at any King Soopers store using cash, check or credit for any amount you wish up to \$500.** Rock Solid will keep track of your card number and credit your student's enrichment account with the 5% return monthly or each time the school reaches a cumulative purchase of \$5,000. So the more who participate the better!
- You may also ask friends and family to support your student by ordering a card for them through RSCA. Any time they reload the card, your student will receive the 5% credit.
- **Gift cards may be used to purchase merchandise at King Soopers stores (excluding other gift cards, stamps, lottery tickets, money orders, Western Union, and event tickets). Gift cards MAY also be used at all King Soopers gas stations. (There is a new Loaf and Jug gas station at 8080 S. Broadway, Littleton 80122 where you can use fuel points.**
